

## **Hunter**

### **My Favorite Things:**

Taking Karate lessons, Playing basketball, soccer, riding my bike, playing tag, being active. I am teaching myself how to play drums. I also like to ski in the winter, and go swimming in the summer. I also like kayaking and paddle boarding. I enjoy woodworking. I like to watch Iron Man and The Hulk. I like to listen to AC/DC and other Rock n' Roll. I like playing the card game Magic, and collecting the cards. I also collect baseball and basketball cards. I like volunteering to help charities for the homeless and elderly.

### **Things I do not like:**

I don't like fish, beans or tomato soup. I don't like country music. I also don't like being told no. I don't like it when adults don't understand what I am trying to say. I enjoy spending time outside, but I'm not much of a hiker.

### **Favorite Foods:**

Mashed potatoes and gravy and corn on the cob with butter. I also like refried beans (I don't like any other types of beans.) My favorite ice cream is Ben and Jerry's Phish Food and Double chocolate.

### **What I want in a family:**

I want a family who is respectful to me, and who is not mean. A family who is kind and snuggly. I want a family who is interested in me, and able to help me with my ups and downs. I want parents who can help me learn how to control my anger. I want my parents to be non-smokers and preferably non-drinkers.

### **What I want families to know about me:**

I am fast. I am learning martial arts. I want to visit the Grand Canyon. I don't like to be ignored. I have a hard time reading body language, and if adults are not clear I may get upset. I am good with technology. I am good at baseball.

### **What we want families to know about the youth:**

Hunter is engaged, and wants to do well. We want a family who will engage with Hunter in therapy. He needs a family who is willing to help him learn and develop new skills. A family ready to be part of a team and can help advocate for Hunter and his needs.
